

GAME CHANGERS

THE PROBLEM

THE NUMBER OF ORPHANS IN RUSSIA IS ONE OF THE HIGHEST IN THE WORLD. ALMOST 80% OF THEM ARE SOCIAL ORPHANS WITH BIOLOGICAL PARENTS WHO ARE ALIVE BUT DON'T TAKE CARE OF THEIR CHILDREN. MOST OF THEM LIVE IN ORPHANAGES TILL THEY COME OF AGE. BUT STATISTICS POINTS OUT THAT 90% OF ORPHANS CAN'T ADAPT TO INDEPENDENT LIFE IN SOCIETY. AS THE PERCENTAGE OF ADOPTIVE PARENTS IS RATHER LOW A LOT OF CHILDREN ARE DOOMED TO SPEND THEIR CHILDHOOD AND ALSO THEIR ADULT LIFE IN DIFFERENT STATE INSTITUTIONS.

WE ARE VERY PROUD TO PRESENT THE FIRST **RUSSIAN** GAME CHANGER – **YANA LEONOVA**

SHORT VIDEO FILMS ABOUT CHILDREN WITHOUT FAMILY. THESE FILMS REALLY HELP CHILDREN TO FIND THEIR PARENTS AND FAMILIES. PHOTO MAY LEAVE A BAD IMPRESSION BUT FILMS ARE TELLING THE REAL STORY.

"I'VE BEEN WORKING IN CHARITY SINCE 2002 AND I WAS ALWAYS SURROUNDED BY WONDERFUL, GREAT, INTELLIGENT AND STRONG PEOPLE. ONE DAY I UNDERSTOOD SO CLEARLY THAT I DIDN'T WANT ANYMORE TO PASS BY CHILDREN WHO DIDN'T HAVE THE MOST IMPORTANT THINGS IN THE WORLD – FAMILY, CONCERN, SUPPORT AND ENCOURAGEMENT. AND I'M STILL SURE THAT I'VE MADE THE RIGHT CHOICE. IT IS THE GREATEST HAPPINESS TO CHANGE SOMEONE'S LIFE!" - YANA LEONOVA
